

*"After 26 years as a quad in a wheelchair, I don't know how I did it without a FreeWheel!"*

**Morgan, Boise, Idaho**

*"It has drastically changed my life. I am able to run with my dog without any fear of flipping out of my chair. It pretty much glides over any surface and just feels so stable. The FreeWheel is just amazing."*

**Eddie, Winnetka, California**

*"This is the best thing I've spent money on in years! Straight out of the box, attached in 5 seconds and gone ... I mean gone! Flying across the grass and out into the gravel alley. Flew through potholes, floated over branches, with no slowing down. Amazing!"*

**Shaun, Saskatchewan, Canada**

*"Went to the beach with my FreeWheel and found it ran over soft sand with no problem. I've been wanting to go to the waters edge for years and the FreeWheel has let me accomplish that. It was a thrilling experience!"*

**Clive, United Kingdom**

*"I wish I'd had the FreeWheel since day one of my injury. Went to a BBQ and they have a huge hilly back yard with gravel pathways. Instead of sitting parked by a table I was free to move about the whole yard, play with the dog, chase after our toddler. Thanks Pat, I love this thing!"*

**Brian, Port Townsend, Washington**

*"I got a FreeWheel for my son over 2 years ago. He goes everywhere with it, beach in the summer, parks, pits at the races, ski hills in the winter, snow filled and rutted parking lots at the university.*

*Everywhere an active 19 year old would go.*

*It works as good now as the first day we got it!"*

**Joyce, Perth, Australia**

# FreeWheel™

## Wheelchair Attachment

The FreeWheel is lightweight, durable and attaches to your footrest and easily stores behind your chair. In seconds you are cruising over curbs, through grass, dirt trails, and living life to the fullest!

# FreeWheel™ Wheelchair Attachment

This durable, lightweight (under 5 lbs.) product quickly clamps to your existing wheelchair footrest and allows you to push over surfaces that would typically be impossible. With the FreeWheel you are ready to roll in seconds.

Strolling, exercising, hiking, or just checking the mailbox, is so much easier. Grass, curbs, and rough roads can be easily navigated to help you in your quest of independence.

When you are not using the FreeWheel you simply clamp it to your Storage Perch on the back of your wheelchair and it is easily accessible when you need it.

Order your FreeWheel at:  
[www.gofreewheel.com](http://www.gofreewheel.com).

Cost is \$499 (includes Perch) plus shipping and handling. Allow up to 2 weeks for delivery. PayPal and major credit cards accepted.

Money Back Guarantee. One Year Warranty.
